Write an English composition of about 250-300 words in length on the following topic:

Everyone has habits that annoy others or are harmful in some way. Identify the bad habit of a friend, relative, classmate, roommate, coworker, or someone you spend a lot of time with, and write a letter trying to persuade the person to break that habit. Suggest specific actions your reader might take to overcome it. Keep in mind you're writing to someone close to you; you want to sound like an honest friend, not a judge.

Note: Put a title in its proper format before you proceed to write your composition (10 points) and divide your letter into no less than four paragraphs (10 points).
