Answer each of the following in an essay.

1. What attitude toward city life is expressed in the *Old Testament*? How would you contrast this view of urban experience to those expressed in the *Iliad* and the *Odyssey*? (30%)
2. What ancient views of sexual passion may be perceived in the stories of Medea (*Medea*), and Dido (the *Aeneid*)? (30%)
3. Dante draws heavily on the classical past to develop his medieval Christian vision of Hell. Compare his journey in the *Inferno* with Odysseus's trip to the Hades and Aeneas's descent into the Underworld. Please also identify the elements in the *Inferno* that you think are specifically Christian. (40%)
